

STANNOL

REACH–Implementation of the new chemical legislation

Status: June 2013

We would like to inform you that all substances contained in our products are preregistered by our suppliers (manufacturer respectively importer) according to the REACH-requirements. We also assure to you that all our products will still be available.

Substances from the candidate list

SVHC-(Substances of Very High Concern) Statement:

The 6th candidate list according to article 59 (1,10) of the regulation EU No. 1907/2006 (REACH) was published. See Website of the European Chemical Agency ECHA:

http://echa.europa.eu/chem_data_en.asp

All our products, including packaging, do not contain more than 0.1% of the substances specified in the candidate list (according to the last update from the 20th of June 2013).

Further details can be found in the particular material and safety data sheets.
